PRODUCT BENEFITS

Milano E

Details that make a difference.

Boiler for central heating

Efficiently heats the radiator system and multiple rooms at the same time.

Spacious baking oven

Ideal for preparing bread, pies, meat and other traditional dishes.

Airwash glass system

Keeps the glass cleaner and provides a clear view of the flame.

Door with ceramic glass

Brings additional warmth and a pleasant atmosphere into your home.

Large firebox

Allows less frequent loading and longer heat retention with stable operation.

Large-capacity boiler

Enables efficient heat distribution through the central heating system.

Steel construction

Robust build designed for many years of use.

Reliable combustion

Stable operation and efficient use of wood energy.
